UN GENDER!?

FASHION IS ART

Every season we ask a photographer or artist to allow us to see WEBER+WEBER through her/his eyes.

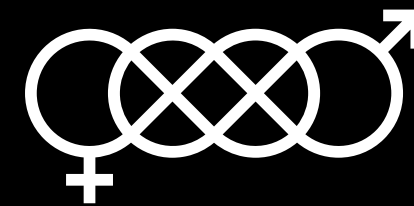

We want the artist to go beyond, to leave all limits and clichés behind.

We don't ask the photographer or artist to please us, but to present WEBER+WEBER in her/his own aesthetics.

We love to share this view of WEBER+WEBER and its products with you

—
as we love
to be un/suited.

WIR MACHEN KEINE MODE.

SARTORIA WIEN:
UNSER ZUHAUSE

SARTORIA VIENNA:
THE HOME OF WEBER+WEBER

Im Seitentrakt des Palais Erzherzog Carl Ludwig in Wien haben wir unsere Büros, unser Atelier und eine kleine Sartoria eingerichtet. Hier präsentieren wir ausgewählte Stücke unserer aktuellen Kollektion. Manchmal auch Einzelstücke, die nicht den Weg in den Handel finden. Nach Terminvereinbarung bedienen Sie hier Christian oder Manuel persönlich.

Our offices, studio, and a small Sartoria are situated in the side wing of the Palais Erzherzog Carl Ludwig in Vienna. Here, we present selected pieces from our current collection. When available, we also showcase unique and individual pieces that didn't find their way into the retail market. By making an appointment, you will receive personal service from Christian or Manuel directly.

Wir freuen uns auf Ihren Besuch.
We are looking forward to seeing you.

MANIFESTO

N°1

WHAT WE BELIEVE IN.

The beauty of rediscovered traditions and the eternal appeal of elegance and comfort;

N°2

WHAT WE STRIVE FOR.

We want our clothing to be a reflection of how well we work together with our Italian master tailors. It is the key to the connection with our customers;

N°3

WHAT WE RESPECT.

People, nature, premium workmanship and durable materials;

N°4

WHAT WE WANT TO CHANGE.

We strive to redefine the relationship of fashion and clothing by exclusively creating long-lasting pieces;

N°5

WHAT WE ORIENT OURSELVES ON.

We go by our customers' wishes, not by collection cycles. This means: We offer our customers articles that correspond to the time of the year – not the spring collection at Christmas. To us, timelessness also means: clothing you can wear all year round;

N°6

WHAT WE APPRECIATE.

Skilful workmanship, durable materials and artistic class. To us, these are the characteristics of exceptional quality;

N°7

WHAT WE CARE ABOUT.

A fair and quality-based production process that is accountable in every detail and therefore PDO certified. (Protected Designation of Origin)

DRESS HOW YOU WANT.
